Background

Sebastian Hütter has been with SAXINGER in Linz since 2011.

2019–2021 Part-time program "Master of Mergers & Acquisitions" at Frankfurt School of Finance and Management.

2015 Austrian bar exam with distinction

2007–2012 Studied law with focus on corporate law at the University of Vienna

2009–2011 Scientific assistant at the University of Vienna's departments for corporate law and tax law

2005–2010 Studied business administration with focus on corporate finance and accounting at the University of Vienna

Expertise

Sebastian Hütter advises domestic and foreign companies of all sizes on complex matters, such as transactions (financing or M&A) or the structuring of corporate reorganizations and in succession situations.

In addition, Sebastian Hütter advises (young) entrepreneurs on the establishment of companies and the development of the legal structures of companies as well as founders and investors in private equity transactions.

Due to his master's degree in finance and accounting, Sebastian is able to solve complex legal problems with a business-background.
